Dear Mensa Candidate:

The Mensa Admissions Test will be administered in the Wing Headquarters Security Classroom, Hancock Field Air National Guard Base, 6001 E.Molloy Road, Mattydale, NY, at 10 A.M., Saturday, April 26, 2008. The Air Base entrance is not at Hancock International Airport. So, if you need driving directions, contact me.

If you've notified me that you're coming, the gate guard will have your name and will allow you to enter the Air Base. The Testing Room is in the 174th Fighter Wing Headquarters Building, immediately to the left of the entrance road to the Air Base. You may park in the lot to the right of that building. Enter the building through the parking lot entrance. Make an immediate left turn and you'll be facing the entrance to the Testing Room. I'll provide all test material, pencils and scratch paper. Calculators and note-taking are not allowed. If you arrive after testing has begun, I'll ask you to leave and await notification of the next test. So, **BE PROMPT!!!!** Please bring Photo ID. Bring a beverage, if you wish. I recommend that you bring a watch to check time to go for each test segment.

The entire procedure will take approximately 2 1/4 hours. I cannot test you if you are less than 14 years old, the date of the Test. If you intend to take the Test on the above date, return the stub, (below), to me, along with a \$40.00 check or money order, payable to MENSA. Please, no cash. If you will be younger than 18, the date of the Test, so advise me and I will Email a Parental Consent Form to be signed and returned, along with your check and stub. If you're interested in notification of the next Test, check the appropriate block. I will, then, notify you one more time. Two notifications is the limit. If you've sent a check, I will destroy it if you don't show after the second notification. If you don't return the stub, I'll assume you're no-longer interested and will remove you from the Candidates List.

For Security purposes, I must have your stub and check or money order, in-hand, not later than two weeks before the Test Date, (deadline is April 14, 2008). If English isn't your first language or if you're dyslexic, Pictorial Tests, equivalent to the Language tests in difficulty and scoring, are available. These tests must be ordered and take at least two weeks to arrive. So, if you want these tests, send your stub and check at least three weeks before the deadline date and check "Pictorial Tests" on the stub.

Looking forward to meeting you at the Test,
